

# EASTSIDE COTTAGES | DIRECTIONS TO EDINBURGH & PARKING

## DRIVING INTO EDINBURGH

- Getting into Edinburgh from Eastside Cottages couldn't be easier.
- From the bottom of the farm track turn left onto the main road (A702).
- Carry on on this road until you reach the centre of town.

## PARKING YOUR CAR IN EDINBURGH

There are many car parks in Edinburgh city centre - we list a few here. They're more expensive than on-street parking but give the peace of mind of not risking a fine!

On-street parking is possible but read parking notices carefully - the wardens are infamously strict! On-street parking is cheaper in some streets than others. If you don't mind a short walk, parking on Queen Street Gardens or Heriot Row is cheaper than more central streets. Use the Ringo App for reminders and the ability to 'top up' parking time.

- **NPC Car Park Castle Terrace** (the most central) Castle Terrace, Edinburgh, EH1 2EW  
tel: 0345 050 7080
- **Princes Exchange Car Park**, 9/2 Riego St, Edinburgh EH3 9BL
- **Q Park Quatermile**, Simpson Loan, Edinburgh EH3 9AU tel: 0870 442 0104

## PARK & RIDES AROUND EDINBURGH

An alternative to parking in Edinburgh is the Park & Ride with a bus service provided by Lothian Buses. The closest is:

- **Straiton Park & Ride**, Located on the A701 opposite Straiton Retail Park, and just south of the A720 City Bypass. EH20 9NP
